## **Configure Screencast-O-Matic for Single Sign-On**

Configuring Screencast-O-Matic for single sign-on (SSO) enables administrators to manage users of Citrix ADC. Users can securely log on to Screencast-O-Matic by using the enterprise credentials.

## Prerequisite

Browser Requirements: Internet Explorer 11 and above

## To configure Screencast-O-Matic for SSO by using SAML:

- 1. In a browser, type <u>https://screencast-o-matic.com/</u> and press **Enter**.
- 2. Type your Screencast-O-Matic admin account credentials (**Email** and **Password**) and click **Login**.
