Configuring Allocadia

Configuring Allocadia for single sign-on (SSO) enables administrators to manage users of Citrix ADC. Users can securely log on to Allocadia by using the enterprise credentials.

Prerequisite

Browser Requirements: Internet Explorer 11 and above

To configure Allocadia for SSO by using SAML:

- 1. In a browser, type <u>https://www.allocadia.com/</u> and press **Enter**.
- 2. Type your Allocadia admin account credentials (Email and Password) and click Login.

We	elcome to	Alloca	dia
