Configuring Hoshinplan

Configuring Hoshinplan for SSO enables administrators to manage their users using Citrix Gateway. Users can securely log on to Hoshinplan using their enterprise credentials.

To configure Hoshinplan for SSO through SAML, follow the steps below:

1. In a browser, type the URL, <u>https://en.hoshinplan.com/</u> and press **Enter**. The Landing page appears.

2. On the Landing page, click **Login**. On the Login screen, type your email address, and click **Login**.
